

# Get your property cleaned up for summer

[www.ruralfire.org.nz](http://www.ruralfire.org.nz)

**Now's the time to get stuck in and reduce the fire risk at your place**

- Remove all dead vegetation
- Mow long grass while it's green
- Clear any burnable materials around your home or sheds
- Clean debris from rain gutters

*The Canterbury West Coast Regional Rural Fire Committee urges everyone to be firewise this summer.*
